### 3. Kucanje dvoznaka i viseznaka

Da bi otkucali dvoznak ili viseznak potrebno je u polju gde se kucaju igre, da se posle svake igre koju zelimo da odigramo dodamo zarez(,) pa sledecu igru (slika\_3) i treba da se dobije tiket kao na slici(slika\_3)

The screenshot shows a betting interface with a dark blue header and a table of bets. The header contains the text "Unos" and three input fields: "Å ifra" with the value "Press SHIFT", "Bet" with the value "1,2,0", and "Sistem" with the value "Prizimate END" and a "/3" indicator. Below the header is a table with the following columns: "Datum i vreme", "Å ifra", "Tim 1", "Tim 2", "Igra", "Kvete", "Sistem", and "Obrisi". The table contains three rows of bets, all for matches between Juventus and Barcelona on Saturday, June 6, 20:45. The first row has a bet of 5.50 for "1", the second row has a bet of 1.62 for "2", and the third row has a bet of 3.85 for "x". Each row has a checkmark in the "Sistem" column and an "X" in the "Obrisi" column.
